

# MEET THE PEOPLE WHO REALLY MATTER WITH FRONT.designTECH.

**Turbo-charge your FRONT.design experience using FRONT.designTech.**

FRONT.designTech is the event's online matchmaking platform – a digital directory that gives you direct access

to every attending mover, shaker, influencer, expert and brand in Australia's commercial ecosystem.

FRONT.designTech is the industry's strongest tool to connect and establish meetings that actually convert.

## MAKE A MEETING

From 22 August, you will receive an email with a link to the meeting portal. Click this link to log in. Click 'Directory' at the top of the screen to view all registered attendees and select the desired contact from the list. Follow the prompts to establish a time and location to meet.

## ACCEPT A MEETING

If someone has selected you for a meeting, you will receive an email requesting your response. Simply select 'Accept', 'Decline' or reschedule the proposed meeting time to proceed.

OR

### 1

#### Select the right contact

Use the filters in FRONT.designTech to find the right contact you wish to meet.

### 2

#### Establish a purpose for your meeting

Don't waste time. Specify the purpose of the meeting or send an agenda via the 'Add Appointment Subject' field. (ie., "First meeting and introduction" or "A pitch for your next project tender")

### 3

#### Meeting duration

FRONT.designTech schedules meetings in strict 15 minute slots. To extend this period you will need to send an additional meeting request.

### 4

#### All meetings start at the main café on each level

If you are exhibiting on Level 2, your meeting will start in the Corner Café. Level 4 is the Main Bar by Maxton Fox. Grab a coffee, lunch, or a drink and get chatting.

# PODCAST

## BROADCASTING LIVE FROM FRONT.design

Proudly sponsored by

**Branko Miletic, Editor of Architecture & Design magazine will interview visitors, ambassadors and FORUM speakers during the 2 days of FRONT.design.**

Building on the success of his podcast Talking Architecture and Design, Branko will take a deeper dive into the

practices of Australia's leading architects, designers, developers and entrepreneurs.

Broadcasting live from Level 2 of FRONT.design Branko and his guests will be inside the sound proof Framery Q, available from The Meta Collective.
